## Sardis

On Sunday we discussed three prayers related to the Church in Sardis.

“Lord, help me to see the gaps.”  
“Lord, help me close the gaps.”  
“Lord, I will overcome.”

What gaps are there in what you say and what you do?

What gaps are there between what you value and your action?

*“They overcame by the blood of the Lamb,  
the word of their testimony,  
and they did not love their lives so much as to shrink from  
death.”*

Revelation 12:11

The above verse is found later in Revelation and describes how we overcome, how you maintain and grow and are victorious to the end.

From this verse what three things are involved in being an overcomer? Discuss each of them and how they apply to your life. All three are equally important. Which of the three do you need to renew in your heart and mind to be an overcomer?
